DEPARTMENT OF INFORMATION TECHNOLOGY:

The Department of IT was established during the Academic Year 2001-02 to keep pace with the dynamics of swiftly changing global work environment. Its establishment was also necessitated keeping in view the dire need to train students of Science and commerce streams in the specialized sector of information technology. In pursuit of quality enhancement and achievement of excellence, the department has been conducting various certificate courses, seminars, technical workshops. An internship program through the specialized tool of TCSC Learn and Earn program and with unhindered support from various software companies has proved to be a jewel in the crown. In the backdrop of this pandemic which has affected each and every sector across the globe, the department has felt the need to organize "International One Day Conclave on Research Publications & Intellectual Property Rights" in joint venture with IQAC & Department of IT, University of Mumbai. This will facilitate in understanding the Importance of Research publication and how to identify human intellect and encourage all students to work on their novel ideas. There is an increase in demand for protecting ideas and without protection of ideas, businesses and individuals would not reap the full benefits of their inventions and would focus less on research and development. IP will increase the stock of knowledge and will raise productivity growth, ultimately leading to overall **economic growth**. This is our sincere effort in creating awareness among the researchers, students, teachers and society at large to protect their inventions and ideas for their own start up or for the development of their nation.

OBJECTIVE OF THE CONCLAVE

- Interaction with National/International group of Academician, research scholars and expert from industry.
- Intellectual property protection is critical to fostering innovation.
- Role of Research in identifying intellectual property.
- Role of Intellectual Property in protecting human intellect for future business
- Encourage innovations and creativity in universities and colleges.
- Exchange of Ideas, knowledge, experiences and wisdom

THAKUR COLLEGE OF SCIENCE & COMMERCE:

Thakur College of Science & Commerce (Autonomous) is the largest unaided institution in Maharashtra with glorious achievements in the field of Academics, Sports, Research and other Extra Co-Curricular activities. TCSC is a relatively young institute established in 1992. Thakur College has successfully completed the 3rd Cycle of NAAC and was awarded with "A" Grade.

It is a matter of great pride for Thakur College, as it has been conferred the "Best College Award" for the Academic Year 2018-19 by University of Mumbai. As per Education World magazine April 2020 Issue in India's top-ranked private autonomous college league table TCSC Secured 55thRank all over India,15thRank in Maharashtra and 13thRank in Mumbai, among the Top Autonomous Colleges (Private Autonomous Category) in a survey done by Education World Magazine , New Delhi. TCSC has featured as one of the top 10 Educational Institution across India in the Annual Coffee Book "Edupreneurs" by the Times Group, for implementing Innovative Ideas in the field of Education. Thakur College of Science and Commerce has more than14, 000 students, 225 teaching staff and 150 non-teaching staff with more than 22 departments having undergraduate and post graduate section. . The College has consistently attained outstanding results in academics at both Degree & Junior levels. The college is committed to provide quality education which is reflected in its state of art infrastructure, well stocked library, closely monitored administration & excellent academic ambience including a well-qualified faculty. It also has a full-fledged Research and development Centre that gives the students and teachers an exclusive area to engage in research activities of their choices. The faculty members are also encouraged to take up industrial consultancy and research and development projects in their respective areas. College also encourages Incubation and startup projects and it is also having Center of Excellence-Learn and Earn program.

TCSC IQAC:

The College IQAC was constituted in 2005 as per the guidelines issued by NAAC, immediately after 1st cycle of Accreditation in the year 2004. Since then IQAC is always instrumental to suggest quality initiatives and pursue the same to set bench marks in quest of excellence. IQAC takes various initiative to conducts various skill and talent enhancement program, program of women's empowerment and community based services. Today, when the world is facing difficult situation of COVID -19, IQAC of TCSC is taking initiative to provide a global platform through this International Conclave to generate breakthrough solutions to global challenges like how innovations can be encouraged in academics through our Skill and Talent Enhancement Program (STEP).
